

FRONT (with bleed)

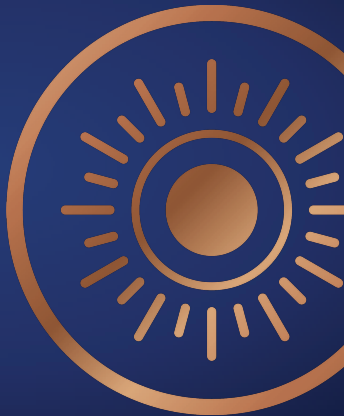

BACK (with bleed, Rick Johnson shown)

TRIM SIZE	3.5 x 2.0 in. Art pages are 3.75 x 2.25 in (0.125 in bleed on all sides). Safe zone 0.125 in inside trim.
STOCK	Duplex or triplex cotton: cobalt face ply (front), natural white back ply. Back panel background is unprinted stock. Optional: copper foil edge gilding.
COPPER FOIL	Hot foil stamp, metallic PMS 876 C. Foil plate pages: black art = foil coverage, 100% K, no screens.
COBALT INK	Back text prints PMS 534 C on the natural white back ply. Front lockup letterforms are opaque white ink. Ink plate pages: black art = that side's ink.
TYPE	Smallest text 6.5 pt. TM marks in the wordmark may fall below foil minimums; vendor to advise on holding or dropping them.
PROOFING	Cobalt sits at the edge of the CMYK gamut. Proof against a physical Pantone book (PMS 534 C) before the production run.
